The Calix Society was founded in 1947 by recovering alcoholics who saw their Catholic faith as a sure path to serenity without alcohol. Calix is here to guide all members in a search that will lead them back to the God they once believed in, but perhaps never knew and an appreciation of the providential nature of a Twelve Step recovery programme

The Calix Society is not a Catholic form of A.A. nor is it in competition with the Fellowship of Alcoholics Anonymous or any other twelve step programme

When alcoholics begin to experience some of the benefits of sobriety, the love of God manifested through the concerns of fellow A.A.'s, they experience a sense of belonging, and a deep thirst for the spiritual is awakened. Visitors from all 12 step programmes are most welcome, especially Alcoholics Anonymous & AlAnon Fellowships
