

## BIOGRAPHY

# Professor Anne Bamford, PhD, MA CA, B Ed, Dip Teach

Anne Bamford is currently Professor at the University of the Arts London and Director of the International Research Agency. Anne has been recognised nationally and internationally for her research in arts, education, emerging literacies and visual communication. She is an expert in the international dimension of education and through her research, she has pursued issues of innovation, social impact and equity and diversity.

A World Scholar for UNESCO, Anne has conducted major national educational impact and evaluation studies for the governments of Denmark, The Netherlands, Belgium, Iceland, Hong Kong, and Norway. Amongst her numerous articles and book chapters, Anne is author of the “Wow Factor: Global research compendium on the impact of the arts in education” which has been published in five languages and distributed in more than 40 countries. Anne has won a number of educational awards including for Best Educational Research, the National Teaching Award and was a runner-up in the British Female Innovator of the Year award. Professor Bamford is a Freeman of the Guild of Educators and a Fellow of the Royal Society for Arts.
